- 2.1 By this Instrument, the Company creates the Warrants, each presently comprising the right (but not the obligation) to subscribe in cash for one A Share at the relevant Subscription Price, subject to Adjustment in accordance with clause 7, on the terms and subject to the conditions of this Instrument (the “**Subscription Rights**”).
- 2.2 The Company undertakes to comply with the terms and conditions of this Instrument and to do all such things and execute all such documents so far as it is lawfully able to give effect to the Subscription Rights in accordance with the terms of this Instrument.
- 2.3 The Warrants shall be issued on Completion, without pre-emption rights for the Company’s existing shareholders, on a one for one basis to those holders of Consideration Warrants who have assented to the Exchange Offer and transferred their Consideration Warrants to TORM A/S.
- 2.4 The Warrants shall be issued on the terms and subject to the conditions of this Instrument (including the Conditions) which are binding on the Company and each Warrantholder, and all persons claiming through or under them respectively.

- 3.1 The Company shall maintain the Register in accordance with the Conditions.
- 3.2 The Company shall, within 10 Business Days of entering the name of a Warrantholder (or joint Warrantholders) in the Register, issue to that Warrantholder, without charge, one certificate for all of the Warrants registered in its name in the

form, or substantially in the form, set out in Schedule 1 and executed by the Company (a “**Certificate**”), together with a copy of this Instrument.

4. EXERCISE AND LAPSE OF WARRANTS

- 4.1 Except as otherwise set out in this Instrument, a Warrantholder may exercise its Warrants in accordance with this clause 4 at any time during the Exercise Period.
- 4.2 If during the 14 days immediately before the end of the Exercise Period (the “**Restricted Period**”), a Warrantholder is in possession of or acquires Inside Information which prevents the Warrantholder from exercising its Warrants and:
- (a) before the expiry of the Exercise Period, such Warrantholder informs the Board in writing of its inability to exercise its Warrants because it is in possession of Inside Information (the “**Inside Notice**”); and
 - (b) this opinion is not considered clearly unfounded by the Board acting reasonably and based on written legal advice from the Company’s legal counsel,

then such Warrantholder will nevertheless be entitled to exercise its Warrants during the 14 days immediately following the Company’s first publication of a quarterly announcement, including announcements of financial statements and interim financial statements after the Warrantholder is no longer prevented from exercising its Warrants due to its possession of Inside Information (the “**Extraordinary Exercise Period**”).

- 4.3 Any Warrants held by such Warrantholder which remain unexercised upon expiry of the Exercise Period or, if applicable, the Extraordinary Exercise Period shall expire and lapse without notice or compensation and the Warrantholders shall have no further rights under this Instrument (but without prejudice to any rights in respect of a previous breach by the Company).

- 4.4 If the Board considers the Inside Notice clearly unfounded in accordance with clause 4.2(b) above, the Board shall inform the Warrantholder that it considers the Inside Notice unfounded and provide the Warrantholder with a copy of the legal advice from the Company's legal counsel (the "**Company Notice**") within five Business Days after its receipt of the Inside Notice.
- 4.5 Failure by the Company to provide the Company Notice to the Warrantholder or to provide him with a copy of the legal advice within five Business Days after the receipt of the Inside Notice shall be deemed as an acceptance by the Company of the Warrantholder's right to exercise the Warrants during the Extraordinary Exercise Period.
- 4.6 Notwithstanding any disagreement between the Warrantholder and the Board in relation to the Inside Notice, the Warrantholder shall in any event be entitled to exercise the Warrants within a period of 10 Business Days after its receipt of the Company Notice.

5. PROCEDURE FOR EXERCISING WARRANTS

- 5.1 To exercise a Warrant, a Warrantholder must (i) give the Company written notice of exercise in the form, or substantially in the form, set out in Schedule 2 (the "**Exercise Notice**"), and (ii) complete a certification as to certain matters of securities law in the form, or substantially in the form, set out in Schedule 3 (a "**Warrant Exercise Form**").
- 5.2 A Warrantholder is entitled to exercise the Warrants held by him in whole or in part. Accordingly, more than one Exercise Notice may be given by a Warrantholder.
- 5.3 The completed Exercise Notice must include the information set out in Schedule 2 and, subject to clauses 9 to 13 inclusive, must be received by the Company within the Exercise Period, or Extraordinary Exercise Period (where applicable), or other applicable period during which the Warrants may be exercised under this Instrument.
- 5.4 Subject to clause 5.6 below, once lodged with the Company, an Exercise Notice shall be irrevocable save with the consent of the Board.
- 5.5 The Company shall promptly supply a Warrantholder with a blank Exercise Notice on request, without charge.
- 5.6 Without prejudice to clauses 4.1 and 4.2 above, a Warrantholder must pay the aggregate Subscription Price for the number of Warrant Shares specified in the relevant Exercise Notice into a bank account designated by the Company at the time

at which it gives the Exercise Notice or, if later, within five Business Days after the date of receipt by the Warrantholder of the details for the bank account designated by the Company, failing which the Exercise Notice shall be deemed to have been cancelled.

- 5.7 If the last day of the Exercise Period, or Extraordinary Exercise Period, or other period during which the Warrants may be exercised under this Instrument (as the case may be) or the period for making payment of the Subscription Price is not a Business Day, the time allowed for receipt of the Exercise Notice and/or the Subscription Price by the Company will be extended until the next Business Day.

6. ISSUE OF WARRANT SHARES

- 6.1 Except where clause 6.2 applies and subject to any applicable legal and regulatory requirements, completion of the allotment and issue of Warrant Shares following an exercise of Warrants in accordance with clause 5 shall take place without undue delay and, in any event, on or before the date falling five Business Days after receipt by the Company of:

- (a) the Exercise Notice and Warrant Exercise Form and all other documents reasonably required by the Company (including, but not limited to, if required by the Warrant Exercise Form, an opinion of counsel as referred to in that form); and
- (b) payment of the Subscription Price in accordance with clause 5.6.

- 6.2 Upon completion of an allotment and issue of Warrant Shares, the Company shall:

- (a) allot and issue to either:
 - (i) the Nominee; or
 - (ii) if elected by the Warrantholder, in certificated form to the Warrantholder itself,

the number of Warrant Shares in respect of which the Warrantholder has exercised its Subscription Rights and use its reasonable endeavours to procure that Computershare issues depositary receipts in respect of those Warrant Shares to the relevant Warrantholder;
- (b) enter the Nominee or Warrantholder (as applicable) in the Company's register of members as the holder of the number of Warrant Shares issued to it;
- (c) deliver to the Nominee or Warrantholder (as applicable) a duly executed share certificate for the number of Warrant Shares issued to him; and
- (d) apply for admission to listing and trading of the Warrant Shares on all exchanges on which the A Shares are then listed or traded.

Where the A Shares are not then listed or traded on any exchange or regulated market, the Company shall have no obligation to apply for admission to listing and trading of any Warrant Shares or any obligation to issue the Warrant Shares to the Nominee rather than the Warrantholder.

- 6.3 The Warrant Shares issued under clause 6.2(a) shall:
- (a) be issued credited as fully paid;
 - (b) be issued on the terms of and subject to the Articles free from all liens, encumbrances and other charges;
 - (c) rank *pari passu* and form one class with the fully paid A Shares then in issue; and
 - (d) entitle the registered holder to receive any dividend or other distribution announced or declared and which has a record date on or after the date of issue of the relevant Warrant Shares.
- 6.4 No fractions of a Warrant Share shall be issued on the exercise of Warrants and no refund will be made to the exercising Warrantholder in respect of that part of the Subscription Price which represents such a fraction (if any), and any fractional entitlement to Warrant Shares shall accordingly be rounded down to the nearest whole number of Warrant Shares, but if more than one Warrant is exercised at the same time by the same holder then, for the purposes of determining the number of Warrant Shares to be issued and whether any (and if so, what) fraction of a Warrant Share arises, the number of Warrant Shares arising on the exercise of each Warrant (including, for this purpose, fractions) shall first be aggregated.
- 6.5 At any time after the issue of Warrant Shares to the Nominee and whilst Warrant Shares are held by the Nominee, the Company shall use its reasonable endeavours to ensure that, subject to the former Warrantholder having complied with all relevant formalities including the surrender of the relevant depositary receipts, due evidence of transfer and relevant representations, on an Eligible Sale Computershare will promptly transfer the relevant Warrant Shares to Cede & Co. (as nominee for DTC) for credit of the relevant Book Interests to the relevant DTC participant account and in the case of a sale on Nasdaq Copenhagen, so as to enable VP to credit such Book Interests to the relevant VP account and permit the due settlement of such Eligible Sale.
- 6.6 Notwithstanding any other provision of this Instrument the Company shall pay all expenses, transfer taxes and other charges payable in connection with the preparation, issue and delivery of the Warrants or the Warrant Shares or transfer of the Warrant Shares, provided that the Company shall not be liable for any expenses, transfer taxes or other charges (including representation letters and legal opinions) arising on the transfer of any Warrants or Warrant Shares other than those expenses and transfer

taxes directly related to Warrant Shares being transferred from Computershare to Cede & Co. in relation to an Eligible Sale.

7. ADJUSTMENTS

7.1 Following Completion and before exercise or lapse of all of the Warrants, the number of Warrant Shares in respect of each outstanding Warrant and/or the Subscription Price shall be subject to adjustment from time to time upon the occurrence of any of the following which results in a reduction in value of the Warrants:

- (a) a subdivision, consolidation or reclassification of the A Shares (subject to clause 7.3 below);
- (b) a reduction in the nominal value of the A Shares (but excluding a reduction arising from a cancellation of capital that is lost or not represented by available assets), or any other reduction in the number of A Shares in issue from time to time (but not a buyback of A Shares at below Market Value);
- (c) an issue of A Shares by way of dividend or distribution except where such A Shares are issued in lieu of a dividend which does not constitute an Adjustment Event pursuant to clause 7.1(g);
- (d) an issue of A Shares by way of capitalisation of profits or reserves (including share premium account and any capital redemption reserve);
- (e) an issue of A Shares for less than Market Value at the time at which the Board resolves to make such issue;
- (f) an issue of Equity Securities giving the right to acquire A Shares at a price less than the Market Value at the time of such issue; or
- (g) any distribution made by the Company (excluding any redemptions of the B Share and C Share but including buybacks or redemptions of A Shares at or above Market Value, acquisitions of other assets by any member of the Group from a Shareholder or Beneficial Owner or any of their respective Affiliates at a price higher than the fair market value of such assets at the time at which a contract is entered into for the acquisition of such assets, or acquisitions by any Shareholder or Beneficial Owner or any of their respective Affiliates or any assets of any member of the Group at less than the fair market value of those assets at the time at which a contract is entered into for the acquisition of such assets) other than dividends declared after 13 August 2016 in accordance with the Dividend Policy and which do not exceed amounts which the Board (at the time of declaring the relevant dividend) can reasonably substantiate are capable of being repeated on a periodic (at least annual) and consistent basis,

(each, an “**Adjustment Event**”).

- 7.2 Subject to the other provisions of this Instrument, as soon as reasonably practicable, but in any event within 5 Business Days following an Adjustment Event taking effect, or, if earlier, within 5 Business Days of the record date for the Adjustment Event, the Company shall adjust the number of Warrant Shares to which a Warrantholder is entitled to subscribe upon exercise of its Warrants and/or the Subscription Price so that, immediately after the Adjustment, the value of outstanding Warrants will then be the same as the value of the outstanding Warrants would have been if the Adjustment Event had not occurred, and the Board shall procure that the Register is updated accordingly within five Business Days of the certification.
- 7.3 If there is a consolidation of the A Shares, the number of Warrants and Warrant Shares, the nominal value of each Warrant Share and/or the Subscription Price will be adjusted to reflect that consolidation. Any fractions of Warrants resulting from such adjustment will:
- (a) if the volume weighted average price for an A Share on the Relevant Exchange in the five Trading Days immediately preceding the date on which such adjustment becomes effective exceeds the Subscription Price before such adjustment, be purchased by the Company for an amount equal to such excess multiplied by the number of Warrant Shares represented by such fractions of Warrants after such consolidation. Such payment be made in cash to the relevant Warrantholder as soon as reasonably practicable and, in any event, within five Business Days of such purchase; or
 - (b) if such volume weighted average price is equal to or less than the Subscription Price before such adjustment, such fractions of Warrants will be cancelled without compensation.
- 7.4 Notwithstanding clause 7.1, no Adjustment shall be made on the basis of any issue or cancellation of Shares, Warrants or other Equity Securities effected:
- (a) where the acquisition price for Shares or the exercise price or implied conversion price for Warrants or other Equity Securities is at or above Market Value at the time at which the Board resolves to make such issue or cancellation minus any subscription amount paid in respect of such Warrants or other Equity Securities representing the right to acquire Shares; or
 - (b) at a discount to Market Value at the time at which the Board resolves to make such issue or at or above Market Value at the time at which the Board resolves to make such cancellation but where such issue is to, or such cancellation is of, Shares, Warrants or Equity Securities held by management or employees of the Group including, without limitation, pursuant to any management incentive plan.

- 7.5 No Adjustment shall be made as a consequence of a capital increase resulting from the exercise of the Warrants comprised by this Instrument.
- 7.6 No Adjustment shall be made where the Company is the surviving company pursuant to a merger under the Mergers Regulations.
- 7.7 The Subscription Price per Warrant shall not be reduced to a price lower than the nominal value of an A Share. Where any Adjustment Event would result in the Subscription Price being less than the nominal value of an A Share, the Subscription Price shall be reduced to that nominal value (if relevant) and the number of Warrant Shares which each Warrant entitles a Warrantholder to subscribe for shall be increased so that the value of the Warrants immediately after such increase remains the same as it was immediately before such Adjustment Event.
- 7.8 The Company shall send to each of the Warrantholders as soon as reasonably practicable but in no event later than two weeks after the date on which the Adjustment Event has occurred, notice of the Adjustment Event and the Adjustment made and, where relevant, a replacement Certificate evidencing the adjusted number of Warrant Shares to which each Warrantholder is entitled.

8. UNDERTAKINGS AND INFORMATION

- 8.1 The Company undertakes that for so long as any Warrants remain exercisable (except with Warrantholder Consent), it shall use all reasonable endeavours to procure the passing of shareholder resolutions to procure that at all times there is available for issue sufficient A Shares free from pre-emptive rights to satisfy in full the exercise of all outstanding Warrants (taking into account any other obligations of the Company to issue any A Shares and any Adjustment made in accordance with clause 7).

9. LIQUIDATION OR WINDING UP OF THE COMPANY

- 9.1 If at any time before the end of the Exercise Period while any Warrants are outstanding, an effective resolution is passed or an order is made for the solvent liquidation or dissolution of the Company, the Company shall as soon as reasonably practicable, send to the Warrantholders a written notice stating that such an order has been made or resolution has been passed or dissolution is to be affected. A Warrantholder may at any time within three months after the date of receipt of such notice exercise some or all of its outstanding Warrants even if the Exercise Period has not yet commenced.
- 9.2 Subject to compliance with clause 9.1, any outstanding Warrants shall automatically lapse upon the end of the three month period referred to in clause 9.1 without further notice or payment of any compensation.

- 9.3 If a Warrantholder exercises Warrants in accordance with clause 9.1 but the Company is not finally liquidated or dissolved and the relevant Warrant Shares have not then been issued, any Warrants exercised pursuant to this clause 9 shall be deemed not to have been exercised and the Subscription Price will be returned to the Warrantholder without delay.

10. TAKEOVERS

- 10.1 In the event that a Takeover Offer is made in respect of the Company before or after the commencement of the Exercise Period but before the end of the Exercise Period (and whether or not such Takeover Offer includes any offer for the Warrants), the Board shall, in accordance with the City Code and in any event not later than one week after publication date of the Offer Document, notify the Warrantholders of the Takeover Offer (a “**Takeover Notice**”) and provide a copy of the Offer Document to each of the Warrantholders.

- 10.2 Each Warrantholder shall be entitled to exercise some or all of its Warrants pursuant to clause 5 at any time during the two week period immediately following the Takeover Notice being given by the Company (the “**Takeover Exercise Period**”) even if the Exercise Period has not commenced.

- 10.3 If such Takeover Exercise Period commences on a date that is less than two weeks before the expiry of the Exercise Period, for the purpose of this Instrument the Exercise Period shall be deemed to have been extended by such number of days that will entitle the Warrantholders to exercise any Warrants outstanding during the Takeover Exercise Period pursuant to this clause 10.3.

- 10.4 Any Warrants that have not been exercised by the end of the Takeover Exercise Period will not lapse but will continue to exist and be subject to the terms of this Instrument.

11. COMPULSORY ACQUISITION OF MINORITY SHAREHOLDERS

- 11.1 In the event of a Compulsory Acquisition of all of the A Shares by a Compelling Shareholder being initiated before the end of the Exercise Period, each Warrantholder may exercise some or all of its outstanding Warrants, even if the Exercise Period has not yet commenced.

- 11.4 If such Compulsory Acquisition Exercise Period begins on a date that is less than four weeks before the end of the Exercise Period, for the purpose of this Instrument the Exercise Period shall be deemed to have been extended by such number of days that will entitle the Warrantholders to exercise any Warrants outstanding during the Compulsory Acquisition Exercise Period pursuant to this clause 11.4.
- 11.5 Subject to clause 11.4, any Warrants that are not exercised by the end of the Compulsory Acquisition Exercise Period will automatically lapse without further notice or payment of compensation.

12. DELISTING

- 12.1 If a resolution is passed by the Board or the Company’s shareholders (as applicable) (a “**Delisting Resolution**”) before the end of the Exercise Period, to delist all of the A Shares from the Relevant Exchange or any other exchange or regulated market that A Shares may be listed or traded on by the Company from time to time (as applicable) (a “**Delisting**”), and the A Shares or depositary receipts or depositary shares representing such A Shares will not then continue to be listed on another recognised stock exchange or authorised regulated market place, and such Delisting is accepted by the Relevant Exchange or any other exchange or regulated market that A Shares may be listed or traded on from time to time (as applicable), each Warrantholder shall be entitled to exercise some or all of its unexercised Warrants even if the Exercise Period has not yet commenced.
- 12.2 Upon the passing of a Delisting Resolution and the Relevant Exchange or any other exchange or regulated market that A Shares may be listed or traded on from time to time (as applicable) having confirmed that such Delisting may occur (and subject to the A Shares or depositary receipts or depositary shares representing such A Shares not then continuing to be listed on another recognised stock exchange or authorised regulated market place), the Company shall, no later than four weeks before the planned date for Delisting (the “**Delisting Date**”) notify the Warrantholders in writing of the planned Delisting and the Delisting Date (a “**Delisting Notice**”).
- 12.3 Each Warrantholder shall be entitled to exercise some or all of its Warrants at any time during the two week period immediately following the date on which a Delisting Notice is given by the Company (the “**Delisting Exercise Period**”).

- 12.4 If such Delisting Exercise Period commences on a date that is less than two weeks before the end of the Exercise Period, for the purpose of this Instrument the Exercise Period shall be deemed to have been extended by such number of days that will entitle the Warranholders to exercise any Warrants outstanding during the Delisting Exercise Period pursuant to this clause 12.4.
- 12.5 Any Warrants that have not been exercised by the end of the Delisting Exercise Period will not lapse but will continue to exist and be subject to the terms of this Instrument.
- 12.6 If some or all of the Warranholders exercise their Warrants pursuant to clause 12 but the planned Delisting does not occur within one month of the Delisting Date and the relevant Warrant Shares have not then been issued, any Warrants exercised pursuant to this clause 12 shall be deemed not to have been exercised and the Subscription Price paid pursuant to clause 5 shall be repaid to the relevant Warranholders without undue delay and the relevant Warrants reinstated.

13. MATERIAL SALE OF THE COMPANY'S ASSETS

- 13.1 In the event that the Company completes a Material Sale before the end of the Exercise Period, the Company shall no later than two weeks following the completion date of the Material Sale, notify each of the Warranholders of such Material Sale (a "**Material Sale Notice**").
- 13.2 Each Warranholder shall be entitled to exercise some or all of its Warrants pursuant to clause 5 at any time during the two week period immediately following the date of receipt of a Material Sale Notice (the "**Material Sale Exercise Period**") even if the Exercise Period has not yet commenced.
- 13.3 If such Material Sale Exercise Period commences on a date that is less than two weeks before the expiry of the Exercise Period, for the purpose of this Instrument the Exercise Period shall be deemed to have been extended by such number of days that will entitle the Warranholders to exercise any Warrants outstanding during the Material Sale Exercise Period pursuant to this clause 13.
- 13.4 Any Warrants that have not been exercised by the end of the Material Sale Exercise Period will not lapse but will continue to exist and be subject to the terms of this Instrument.

14. MERGERS

- 14.1 In the event of a consolidation, amalgamation or merger of the Company with or into another company pursuant to the Mergers Regulations where the Company is not the surviving company, unexercised Warrants as at the completion date of the consolidation, amalgamation or merger shall be exchanged for new warrants in the surviving company.
- 14.2 The number of shares in the surviving company that can be subscribed for by the Warrantheolders pursuant to the new warrants, and/or the subscription price of the new warrants, shall be subject to adjustment to the extent that the terms of the exchange set out in the Merger Documentation (when the value of the Warrant Shares is compared to the value of the shares in the surviving company which may be subscribed by exercise of the new warrants) provide a basis for such adjustment.
- 14.3 If a dividend or other distribution is made by the Company to Shareholders in connection with any consolidation, amalgamation or merger of the Company with or into another company pursuant to the Mergers Regulations where the Company is not the surviving company, any adjustment to the new warrants shall be made by way of a reduction in the subscription price of such new warrants.

- 15.2 If any dividends or other distributions are made by the Company to Shareholders in connection with the demerger, any Adjustment shall be made by way of a reduction in the Subscription Price and/or the subscription price of the Demerger Warrants.
- 15.3 The number of Demerger Warrants and remaining Warrants held by each Warrantheolder shall as nearly as practicable entitle each Warrantheolder to subscribe an equivalent combined interest in the Company and the demerged company or companies (as applicable) which an exercise of all Warrants prior to the demerger would have resulted in in the Company.
- 15.4 The terms applying to the Demerger Warrants shall, to the extent practicable, be the same as the terms which apply to the Warrants as set out in this Instrument.

16. TRANSFER OF WARRANTS

The provisions of paragraph 2 of Schedule 4 shall govern the transfer of Warrants.

Any such variation or abrogation shall be effected by way of deed poll executed by the Company and expressed to be supplemental to this Instrument.

18.2 Modifications to this Instrument which are of a minor nature or made to correct a manifest error may be affected by way of deed poll executed by the Company and expressed to be supplemental to this Instrument.

The Conditions

- 1.2 The Company shall promptly amend the Register after receiving notice of a change in a Warrantholder's details for service pursuant to paragraph 4.2 of Schedule 4.
- 1.3 The Warrantholders or any of them, or any person authorised by a Warrantholder, shall be at liberty at all reasonable times during office hours to inspect the Register and to take copies of or extracts from it or any part of it.
- 1.4 The Company shall be entitled to treat each person named in the Register as a Warrantholder as the absolute owner of a Warrant and, accordingly, shall not, except as ordered by a court of competent jurisdiction or as required by law, be bound to recognise any equitable or other claim to or interest in a Warrant on the part of any other person, whether or not it shall have express or other notice of such a claim.
- 1.5 Every Warrantholder shall be recognised by the Company as entitled to its Warrants free from any equity, set-off or cross-claim against the original or an intermediate holder of such Warrants.

2. TRANSFER OF WARRANTS

- 2.1 The Warrants shall be freely transferable in accordance with paragraphs 2.2 to 2.8 (inclusive).
- 2.2 Warrants may be transferred by means of the instrument of transfer set out on the Company's website at www.torm-plc.com or in any usual form or any other form approved by the Board.
- 2.3 An instrument of transfer shall be made under hand and executed by or on behalf of the transferor but need not be signed by the transferee. The transferor shall be deemed to remain the holder of the Warrants until the name of the transferee is entered in the Register for the Warrants being transferred. Where relevant an instrument of transfer must be accompanied by evidence of due payment of any applicable stamp, transfer or like taxes.
- 2.4 The Board may refuse to register a transfer unless such instrument is deposited at the Registered Office together with the Certificate to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer. The Board may waive production of any Certificate on production to it of satisfactory evidence of the loss or destruction of the Certificate, together with such indemnity as it may require.
- 2.5 Upon registration, the Company shall issue a Certificate to the transferee in respect of the Warrants transferred and, subject to clause 3.4 of this Instrument; the transferor's Certificate shall be cancelled. The Company may retain any instrument of transfer which is registered.

- 3.4 If any person wishes to have Warrants transferred to another person in accordance with paragraph 3.2, he must execute a transfer in respect of the Warrants to be transferred. Any transfer made or executed under this paragraph 3.4 is subject to all the provisions of this Instrument relating to transfers and is to be treated as if it were made or executed by the person from whom the person entitled has derived rights in respect of the Warrants, and as if the event which gave rise to the entitlement had not occurred.
- 3.5 A person entitled to Warrants in accordance with paragraph 3.2 is bound by all notices given to Warrantholders under this Instrument as if it was given to the person from whom the person entitled derived rights in respect of the Warrants before the name of the person entitled, or a transferee of those Warrants pursuant to paragraph 3.4, has been entered in the Register. A person so entitled shall have all the rights and privileges of a Warrantholder under this Instrument and shall be entitled to receive and may give a good discharge of any monies payable in respect of the Warrants.

1. CALLING OF MEETINGS

Whenever there is only one holder of Warrants, a quorum at any meeting of Warranholders shall, for all purposes, be that Warranholder or any proxy of or corporate representative for that Warranholder.

5. ABSENCE OF QUORUM

If, within half an hour after the time appointed for any meeting, a quorum is not present, the meeting shall, if convened upon the requisition of Warrantholders, be dissolved. In any other case, it shall stand adjourned for such period, not being less than seven days nor more than 28 days, and to such time and place, as may be appointed by the chairman . At such adjourned meeting one or more persons present in person holding Warrants and/or being proxies or corporate representatives (whatever the number of Warrants so held or represented) shall for all purposes form a quorum and shall have the power to pass any resolution (including a Warrantholder Resolution) and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place, had a quorum been present at such meeting.

6. ADJOURNMENTS

The chairman may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

7. NOTICE OF ADJOURNMENTS

At least three days' notice of any meeting adjourned due to lack of a quorum shall be given to Warrantholders in the same manner as for an original meeting, and such notice shall state the quorum required at such adjourned meeting. Subject to that requirement, it shall not be necessary to give any notice of an adjourned meeting.

8. RESOLUTIONS ON SHOW OF HANDS

Every question submitted to a meeting shall be decided in the first instance by a show of hands and, in case of an equality of votes, the chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which the chairman may be entitled as a Warrantholder or as a proxy or corporate representative.

9. RESOLUTIONS BY SHOW OF HANDS CONCLUSIVE IN ABSENCE OF POLL

At any meeting, unless a poll is demanded by the chairman or by one or more Warrantholders (or by their proxies) (before or on the declaration of the result of a show of hands), a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by any particular majority shall

be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

10. DEMAND FOR POLL

If, at any meeting, a poll is demanded, it shall be taken in such manner and, subject as hereinafter provided, either at once or after any adjournment as the chairman directs, and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded . The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded. Any poll demanded at any meeting on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.

11. PERSONS ENTITLED TO ATTEND, SPEAK AND VOTE

No person may attend or vote at any meeting of Warranholders or join with others in requesting the convening of such a meeting unless such person is a Warranholder or the duly appointed proxy or corporate representative of a Warranholder.

12. VOTES

At any meeting (subject always to paragraph 14 of this Schedule 5):

12.1 on a show of hands every Warranholder who is present in person (or in the case of a corporation by a duly authorised representative) and every person who is a proxy shall have one vote; and

12.2 on a poll every Warranholder who is present in person or by proxy (or in the case of a corporation by a duly authorised representative) shall have one vote in respect of each Warrant which he then holds.

13. Any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

14. The Company may not vote in respect of any Warrants it holds, whether a show of hands, on a poll or by written resolution.

15. INSTRUMENT APPOINTING A PROXY

Each instrument appointing a proxy must be in writing signed by a duly authorised officer of the Warranholder and shall be in such form as the Board may approve. The

instrument of proxy shall, unless the contrary is stated in it, be valid for the meeting to which it relates and need not be witnessed. A person appointed to act as a proxy need not be a Warrantholder.

16. DEPOSIT OF INSTRUMENT APPOINTING A PROXY

The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the power or authority shall be deposited at such place or places as the Company (or the Warrantholders in default of the Company convening the meeting) may in the notice of meeting direct (or if no such place is specified then at the Registered Office) not less than 48 hours before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in that instrument proposes to vote. The instrument of proxy is invalid if not deposited in accordance with this paragraph. A vote given in accordance with the terms of an instrument appointing a proxy is valid notwithstanding the previous revocation of the instrument of proxy or of the authority under which the instrument of proxy is given or transfer of the Warrants in respect of which it is given unless previous notice in writing of that revocation or transfer has been received at the Registered Office no later than the Business Day prior to the relevant meeting. No instrument appointing a proxy is valid after the expiration of 12 months from the date stated in it as the date of its execution.

17. CORPORATE REPRESENTATIVE

A Warrantholder which is a corporation may, by resolution of its directors or other governing body, authorise one or more persons to act as its representative(s) at any meeting of Warrantholders (each such person being a "representative"). The representative may exercise on behalf of the Warrantholder (in respect of that proportion of the Warrants to which the authorisation relates) those powers that the Warrantholder would be entitled to exercise. The Warrantholder is for the purposes of this Schedule deemed to be present in person at a meeting of the Warrantholders if the representative is present and each reference to attendance and voting in person is to be construed accordingly. A member of the Board or the secretary of the Company or other person authorised for the purpose by the secretary may require the representative to produce a certified copy of the resolution of authorisation before permitting him to exercise his powers.

18. POWERS OF MEETINGS OF WARRANTHOLDERS

A meeting of Warrantholders shall (without limitation and without prejudice to any powers conferred on any other person by this Instrument) have the following powers exercisable by Warrantholder Resolution:

- 18.1 power to sanction any compromise or arrangement proposed to be made between the Company and the Warranholders or any of them;
- 18.2 power to sanction any proposal by the Company for the modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Warranholders against the Company whether such rights shall arise under this Instrument or otherwise;
- 18.3 power to sanction any proposal by the Company for the exchange or substitution for the Warrants of, or the conversion of the Warrants into, shares, stock, bonds, debentures, debenture stock or other obligations or securities of the Company, or any other body corporate formed or to be formed;
- 18.4 power to assent to any modification of the provisions contained in this instrument which shall be proposed by the Company;
- 18.5 power to authorise any person to concur in and execute all such documents and do all such acts and things as may be necessary to carry out and give effect to any Warranholder Resolution;
- 18.6 power to discharge or exonerate any person from liability in respect of any act or omission for which such person may have become responsible under this Instrument;
- 18.7 power to give any authority, direction or sanction which under the provisions of this Instrument is required to be given by Warranholder Resolution; and
- 18.8 power to appoint any person (whether a Warranholder or not) as an agent or to a committee or committees to represent the interests of the Warranholders and to confer upon such agent or committee any powers or discretions which the Warranholders could themselves exercise by Warranholder Resolution.

19. RESOLUTIONS BINDING ON WARRANTHOLDERS

A Warranholder Resolution shall be binding upon all the Warranholders, whether present or not present at the meeting at which the resolution was passed, and each of the Warranholders shall be bound to give effect to the Warranholder Resolution. The passing of any Warranholder Resolution shall be conclusive evidence that the circumstances of such resolution justified the passing of it.

20. WRITTEN RESOLUTIONS

Subject always to paragraph 14 of this Schedule 5, a resolution in writing signed by Warranholders holding not less than 90% of the Warrants then outstanding who are for the time being entitled to receive notice of meetings in accordance with the provisions of this Instrument shall for all purposes be as valid and effective as a Warranholder Resolution passed at a meeting duly convened and held in accordance with the provisions of this Schedule. Any such resolution may be contained in one document or in several documents in like form each signed by one or more of the relevant Warranholders and the date of the resolution will be when the resolution is signed by or on behalf of the last relevant Warranholder.

21. MINUTES OF MEETINGS

Minutes of all resolutions and proceedings at every meeting of the Warranholders shall be made and duly entered in books provided for that purpose from time to time by the Company. Minutes signed by the chairman of the meeting at which such resolutions were passed or proceedings transacted or by the chairman of the next succeeding meeting of the Warranholders, shall be conclusive evidence of the matters contained in those minutes. Until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made and signed in this way shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at the meeting to have been duly passed and transacted.
